

REJUVENATING FACIAL THERAPIES

At the start of each session, I invite you to nestle in the cocoon of warm, soft blankets, lay back, close your eyes, inhale deeply and exhale slowly. Relax and enjoy being still and present while I carefully examine your skin. Once I know what your skin needs, I can customize a treatment just for you to restore health, vitality, and clarity.

Miracle Minutes

45 minutes and \$50.

Cleanse, exfoliate, and nourish your skin to reveal a more youthful complexion.

Red Carpet Facial

Each treatment is 45 minutes and \$195 to \$225.

Indulge in a celebrity-favorite treatment to improve your skin's health and appearance from as early as the first session. The Oxylight takes proven effective red, blue, yellow, and green light waves, and combines them with microcurrent, oxygen, and highly beneficial vitamin exfoliation for dramatic results that reveal a younger looking complexion.

CUSTOMIZED INFUSION TREATMENTS

All customized treatments are 80 minutes and \$110.

Brightening Infusion

Suppress melanin and slow the production of pigment to correct and prevent abnormal skin discoloration.

Clarifying Infusion

Detoxify and refine your skin. This treatment lifts dead skin cells, purges clogged pores, and evens the skin's tone and texture.

Renewing Infusion

Hydrates and regenerates collagen and elastin production for a younger, healthier, rejuvenated look and feel.

Soothing Infusion

Reduces inflammation and nourishes dehydrated skin.

NATURAL FACIAL PEELS

All natural facial peels are 60 - 90 minutes and \$85 unless otherwise noted.

A+ Peel

Perfect for strengthening the integrity of your skin. (\$110)

C+ Peel

Boost the skin's immune cells rejuvenating photoaged skin.

Diamond Peel

Reverses the signs of aging in your skin. My personal favorite for immediate and beautiful results in only 30 minutes.

G3 Peel

Exfoliates sun-damaged skin cells to lighten, brighten, and even the skin tone for a youthful complexion.

Glycolic Acid Peel

Refines your skin's texture by exfoliating and stimulating the cell renewal process, lightening age spots, clearing congested pores, and stimulating collagen for a tight, firm, youthful look.

Herbal Peel

Smoothes and hydrates your skin.

Lactic Acid Peel

Rejuvenates sensitive skin by removing dead skin cells without disrupting the natural moisturizing factor of the skin.

Pumpkin Peel

Clarifies your skin by removing dead cells to clear clogged pores and to reduce and heal acne breakouts.

Salicylic Acid Peel

Clarifies your skin by reducing oil production, accelerates the release of dead skin cells and suppresses acne-causing bacteria in the pores.

CHEMICAL FACIAL PEELS

All chemical facial peels are 60 - 90 minutes. Prices vary.

Modified Jessner's Peel (non resorcinol)

Restores your skin by combining three unique peeling solutions for increased penetration to reduce and heal acne breakouts. (\$250)

Ruby Peel

This potent peel blend decongests and clears the skin. It works by removing the top layer of damaged skin cells for fresher, lighter and brighter skin. (\$150)

TCA Flash Peel

"Perfect Party Peel"

The gold standard of peeling agents, TCA is used to treat a wide range of clients for age related skin, fine lines, light to deep wrinkles, actinic keratosis, acne scarring and thick uneven textured skin. (Superficial epidermal exfoliation.) Requires 1-10 days downtime. (\$195)

TCA Peel

More of a deep dermal peeling and exfoliation in order to stimulate fibroblast activity for collagen remodeling and restoration of pigment disorders. Requires 5-10 days downtime. (\$300 - \$500)

BODY THERAPY

Mini-Massage

Each 15 - 20 minute session is added on to a treatment and is \$25.

Round out your experience with a calming massage of your décolleté, neck/shoulders, and scalp.

Treat the Feet Foot Massage

This 15 minute session is \$15.

Your feet are wrapped in steam towels, exfoliated and massaged while you enjoy the rest of your treatment.

Hand Massage and Paraffin Treatment

This 15 minute session is \$15.

Your busy hands need a little TLC too. Your hands are gently massaged and dipped in warm paraffin to promote circulation and smooth and soften dry, chapped, and rough skin.
